GENERAL INFORMATION

About the conference

The Brewing Conference 2022, jointly organized by the Thailand Beer Industry Guild (TBIG) and VLB Berlin will be the 7th of a series of international brewing industry conferences held in Bangkok. The informative program, structured by the VLB and TBIG, draws upon a rich knowledge base of international brewing and beverage industry professionals to provide a region specific program covering the crucial issues most pertinent to brewing operations in South-East Asia.

Target group

This conference is suitable for managers and senior staff of breweries, maltings, the beverage industry and their suppliers in the areas of technology, technical management, product development and quality control. The presentations cover advanced topics from state-of-the-art brewing technology.

Language

The presentations will be held in English exclusively. Translations into other languages will not be provided.

Conference venue

The Brewing Conference 2022 will be staged at the Bangkok International Trade & Exhibition Centre (BITEC), Main building, Level 1.

The easiest ways to reach BITEC are by taxi or by BTS Skytrain. Visitors travelling to BITEC can get off the train at "Bang Na Station" Exit 1. From there, it is just a short walk to the skywalk leading directly to the Welcome Hall.
